ask to see our fine wine list and wine flights. all wines are subject to availability so vintages may differ from those listed. vat is included in all prices.

 = skinny. we've identified the following wines as being the driest (and hence the lowest in residual sugars) on our list. they're also the lowest in alcohol too! no liability will be taken by the parlour for weight gain!

all our wines are available in 125ml pours.

*decanter = 1/2 litre
