#### ***From the superb to the sublime***

The Sundial combines the warmth of a 17th century English country house with a chic, contemporary style. The comfortable lounge and bar area are the perfect place to meet friends and enjoy a drink while giving your attention to the important process of choosing your meal.

The Sundial's menus range from the superb to the sublime and whether you are lunching with a friend, entertaining a client or dining out in style, you will find a menu to suit the occasion. Our a-la-carte menu provides a superb selection of the finest cuisine including a magnificent gastronomic Menu Degustation while the menu du Marche offers a more limited choice of the most seasonal fare.

All our menus feature seasonal delicacies such as pheasant, partridge, guinea fowl and venison and the pick of the day's catch from the fishing fleets of nearby Rye, Pevensey and Hastings.
