BELGO BLACK RUSSIAN

8.00

This combination first appeared in 1949, and is ascribed to Gustave Tops, a Belgian barman, who created it at the Hotel Metropole in Brussels in honour of the then US Ambassador to Luxembourg

- Made with Absolut vodka, Tia Maria and Coke

TIKI COCKTAIL

8.00

Mai Tai (or our version of a Tiki drink) was supposedly invented at the 555 California St. office in San Francisco, California, in 1944 by Trader Vic. However his rival, Don the Beachcomber, claimed to have created it in 1933 at his then-new bar in Hollywood. Who knows who was right!

- Made with Captain Morgan's rum, Bacardi Rum, Cointreau and pineapple juice

BELGO ICED TEA

8.00

Robert 'Rosebud' Butt claims to have invented the drink as an entry in a contest to create a new mixed drink including Cointreau. He is said to have made this while he worked at the Oak Beach Inn on Long Island, New York - but his claim is disputed

- Made with Olmeca Blanco tequila, Beefeater gin, Absolut vodka, Bacardi Rum, and Cointreau

BELGO COSMO

8.00

The origin of the cosmopolitan is disputed. It is widely believed that the drink was created independently by different bartenders since the 1970's

- Made with Absolut vodka, Cointreau, cranberry juice, lime juice and fresh lime

FRULI MOJITO

8.00

Belgo has created a fantastic beer cocktail by mixing the classic mojito with our best-selling cult Belgian fruit beer Fruli! This drink is quite literally bursting with sweet strawberries and rum!

- Made with Fruli, Bacardi rum, lime, sugar and fresh mint

GO MOJITO

8.00

Havana is the birthplace of the Mojito, although the exact origin of this classic cocktail is the subject of debate. One story traces the Mojito to a similar 16th century drink known as 'El Draque', after Francis Drake

- Made with Bacardi rum, lime, sugar and fresh mint

BELGO MARGARITA

8.00

One of the earliest stories is of the margarita being invented in 1938 by Carlos 'Danny' Herrera at his restaurant Rancho La Gloria, halfway between Tijuana and Rosarito, Mexico. It was created for customer and former Ziegfeld dancer Marjorie King, who was allergic to many spirits, but not to tequila

- Made with Olmeca Blanco tequila, Cointreau and lime & lemon juice

DRY MARTINI

8.00

Numerous cocktails with names and ingredients similar to the modern-day martini were first seen in bartending guides of the late 19th century. For example, in the 1888 Bartenders' Manual there was a recipe for a drink that consisted in part of half a wine glass of Old Tom Gin and half a wine glass of vermouth

- Made with Beefeater gin and Martini
