book your party now at the... soho caves

BELGO SOHO FEATURES 4 AMAZING 'CAVES' EACH WITH THEIR OWN INDIVIDUAL DECOR, SO BOOK NOW FOR A TRULY UNIQUE PARTY.

In the 'Heritage' cave you can discover the history of Belgo. Our inspiration came from the beer halls of Brussels.

The Beer Cave is so named because it's got beer on the ceiling, beer on the walls, in fact if it's about beer it's here - do you get the feeling that we're obsessed with all things beer.

Here at Belgo we're so proud of the monastic heritage of some of our beers that we've dedicated our 'Monks' cave to the men who made the stuff of legends.

Our 'Moules' cave pays homage to the fishermen of the famous, wild Shetland Islands who supply us with our rope grown, grit free and super sustainable mussels.
